Respect Forum Vision and Mission

Our Vision – To ensure that those who run to danger in service of their country and community have access to the support and care they need.

Our Mission – To promote collaboration and create focus through networking and knowledge sharing to help improve mental health services and reduce homelessness for men and women in uniformed service who run to danger.

What We Don't Do

- **Advocate** for anything or any approach other than collaboration
- **tell** people what to do
- **raise money** locally
- share information **without permission**
- **tolerate disrespectful comments** between groups

Participants – keeps growing!
