

Ryan Collyer, BOS LEAD & CLINICAL LIAISON

Ryan Collyer is a retired Advanced Care Paramedic from Calgary, Alberta, Canada who has been a part of Peer Support Advocacy for the past 15 years and believes in the concept of “in service of others”. Through his training in Mindfulness with Richard Goerling and completing the Mindfulness Based Peer Coach offered by Mindful Badge he hopes to inspire others to seek change through being courageously authentic to their needs. Ryan is currently working with Wayfound Mental Health Group as a Before Operation Stress Lead and Clinical Liaison supporting programming that provides proactive protection to Public Safety Personnel, Health Care, Military members, and other front facing members that serve humanity.
